WEBINARS

ESOMAR regularly hosts free webinars on some of the most pertinent industry topics. Head over to the ESOMAR website for more information. www.esomar.org

WORKSHOPS

Workshops are interactive learning sessions for small groups and run alongside ESOMAR events. Space is limited; register early to secure your place. www.esomar.org/workshops

YOUR ADVANCED
PANEL PARTNER IN
LATIN AMERICA,
SPAIN & PORTUGAL

Discover our highly profiled online panels and find the target you have always wanted to reach in an easy and reliable way.

And now with our new mobile app that captures consumer's online navigation data as well as their opinions through surveys, any study is possible. Why not obtaining the best of both worlds?

Reach Latin American consumers and capture their opinions and online behaviour anytime and anywhere. Make the most of our online quality panels.

*The ISO26362 is the specific standard for online access panels.
Look for this quality seal among your providers.*
